Kingswood-Oxford School

West Hartford, Connecticut

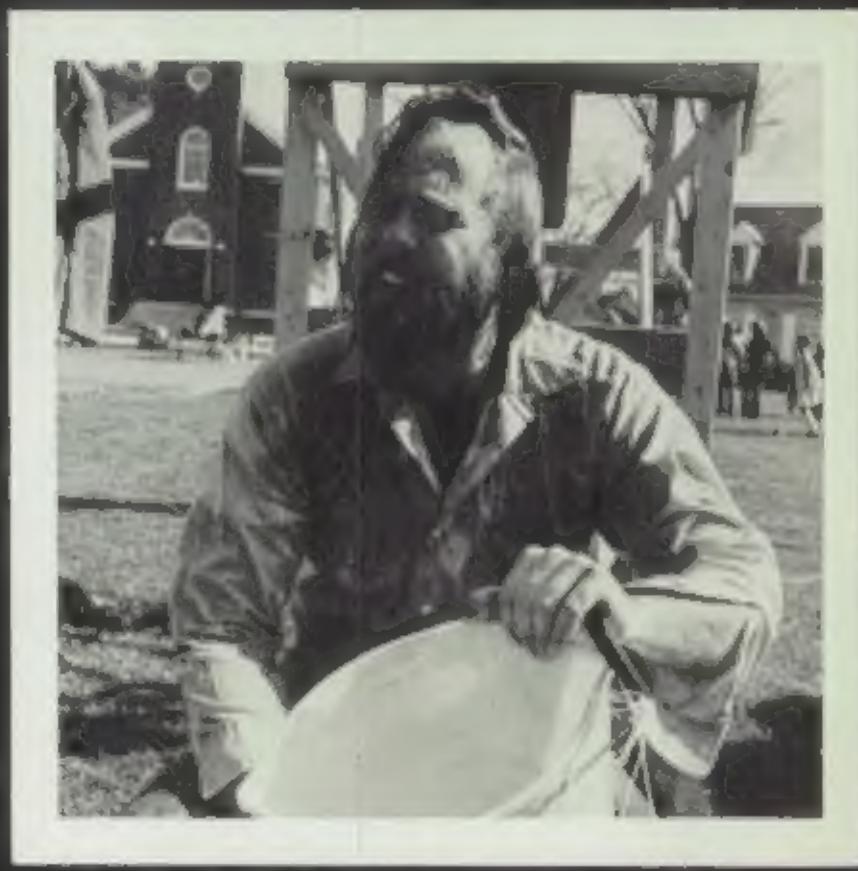

RETROSPECT
РЕТРОСПЕКТ

kingswood-oxford school, west hartford, ct.

We dedicate this yearbook to Mr. Todd Rosenthal whose own dedication to his profession and to those affected by that profession is greatly appreciated and admired. His presence has served to make our high school years a worthy experience, and of all the things we are likely to miss, he will, most certainly, rank at the top. Although it is but a small token, we, the senior class, give you this dedication to say thanks for being you.

As we pass through the gates toward our unknown futures; departing from the security of Kingswood-Oxford — We leave you these thoughts with the hope that they may inspire you —

GOOD ADVICE ON LIVING WELL

KEEP LIFE SIMPLE — but active and exciting.

KEEP YOURSELF RESPONSIVE — to the simple things that are always near at hand.

LEARN TO LIKE WORK — since you have to work, you may as well learn to like it.

HAVE A GOOD HOBBY — something which turns part of your existence into pleasure and pleasurable expectancy.

LEARN TO BE SATISFIED — it is just as easy under most conditions to be satisfied as it is to be dissatisfied.

LIKE PEOPLE — join the human enterprise.

SAY THE CHEERFUL, PLEASANT THING — and get up on the right side of the bed.

MEET ADVERSITY — {hardship} when it comes, get up and go on.

MEET PROBLEMS WITH DECISION — don't keep mulling them over in your mind, but resolve them.

LAUGHTER ADDS TO LIFE — as much as light adds to a lamp.

Consider yourself improperly clothed unless you are wearing a SMILE.

KEEP SMILING, THINK POSITIVE — and always TELL THE TRUTH.

GOOD LUCK, and may this help you to become a SUCCESS IN LIFE.

F.M.C.

SENIORS

In Memory of Jeffrey S. Allpass "Class of 1976"

A true appreciation of strength and perseverance is something not easily come by. Certainly, the passing of Jeffrey S. Allpass after his prolonged battle inspired many to recognize these beautiful facets of life, and it is time that tribute and thanks be offered for this unique young man.

It was no strange sight last spring to see Jeff walking cheerfully around the campus from class to class; few people realized the real enjoyment he had found in the everyday struggles of homework, papers and coping with the K-O food. When time allowed, he loved bicycling to the reservoir for sports (onward to Kilkenny Rock!). Even the confusion and frustration of knot-tying did not quell the pleasure Jeff found in rock - climbing, as he proved last spring on a Saturday morning trip with friends.

In the summer of last year, Jeff showed that his spirits would not dampen, although confined to a hospital bed. "Clowns" and "jokers" were always welcome as visitors, even when nurses frowned half-heartedly. The sea-shore was lacking, but Jeff developed an apparent love and joy for his surrounding which he communicated in his journal and a special videotape, both intended as honest and inspirational messages for terminal cancer patients across the country.

It is not only time now to think of Jeff Allpass for his strength and love; in the future whenever times are hard, perhaps it will be his example that can make life that much cheerier.

Time Passes On

Time passes on like a river that must always run
now you are gone but I will have you til time is
done
you can never take away, the love you gave me
yesterday
and I don't have to capture you cause you're here
in my memory

My life goes on like a song that is never still
sing that song to the emptiness I'll never fill
don't need your photograph to see your face in
front of me
We may never touch again but you're here in this
memory

What once was will always be and you've left your
print on me
sometimes I think it's the spark of conflict with which
we affect
most heavily But I hope when you think of me,
you remember only harmony and — time passes
on

And each day I learn just a little bit more,
I don't know why but I do know what for,
If we're all going somewhere let's get there
soon,
for this song's got no title just words and a
tune

El Dorado

Gaily bedight; a gallant knight
In sunshine and in shadow
Hud journeyed long singing a song
In search of El Dorado

As he grew old this knight so bold
And o'er his heart a shadow
Fell as he found no spot on the ground
That looked like El Dorado

And as his strength failed him at length
He met a pilgrim shadow
Shadow said he "Where can it be
this land of El Dorado

Over the mountains of the moon
Through the valley of the shadow
Ride, boldly ride
If you seek for El Dorado

Stopping By Woods On a Snowy Evening

Whose woods these are I think I know
His house is in the village though,
He will not see me stopping here
to watch his woods fill up with snow

My little horse must think it queer
To stop without a farmhouse near
Between the woods and frozen lake
The darkest evening of the year

He gives his harness bells a shake
To ask if there is some mistake
The only other sound's the sweep
Of easy wind and downy flake

The woods are lovely, dark and deep
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep

The Road Not Taken

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could

To where it bent in the under-growth,

Then took the other, as just as fair
And having perhaps the better claim,
Because it was grassy and wanted wear
Though as for that the passing there
Had worn them really about the same

And both that morning equally lay
In leaves no step had trodden black

Oh, I kept the first for another day!

Yet knowing how way leads on to way

I doubted if I should ever come back

I shall be telling this with a sigh
Somewhere ages and ages hence
Two roads diverged in a wood
and I —

I took the one less traveled by
And that has made all the difference.

Look to this day!
For it is life, the very life of life
In its brief course lie all verities

The bliss of growth,
The glory of action,
The splendor of beauty,
For yesterday is already a dream, and
tomorrow is only a vision,
But today, well lived, makes every yesterday
a dream of happiness, and every tomorrow a
vision of hope
Look well, therefore, to this day!

I do my thing and you do your thing
I am not in this world to live up to your
expectations
And you are not in this world to live up
to mine
You are you and I am I
And If by chance we find each other,
It's beautiful

Well what'll you do now
my blue eyed son?
What'll you do now
my darlin young one?

I'm goin back out
fore the rain starts a fallin
I'll walk to the depths
of the deepest dark forest
Where the people are many
and their hands are all empty
Where the pellets of poison
are flooding my waters
Where the home in the valley
meets the damp dirty prison
Where the executioner's face
is always well hidden
Where hunger is ugly
Where souls are forgotten
Where black is the color
Where none is the number
I'll see it and tell it
and think it and breathe it
Reflect from the mountain
so all souls can see it
I'll stand on the ocean
until I start sinkin
But I'll know my song well
before I start singin
It's a hard, hard, hard, hard
It's a hard rain's a gonna fal

Now it's not a meaningless question
To ask if they've been and gone
I remember a talk about North
Carolina and a strange, strange pond
You see the sides were like glass
In the thick of a forest without a road
And if any man's ever made that land
Then I think it would've showed
Seems like a dream
(They) got me hypnotized
They say there's a place down in Mexico
Where a man can fly over mountains
and hills
And he don't need an airplane or some
kind of engine
And he never will
Now you know it's a meaningless
question
To ask if these stories are right
Cause what matters most is the feeling
You get when you're hypnotized
Seems like a dream
They got me hypnotized

When in the fall of 1970 as seventh grade boys and girls we approached the Kingswood and Oxford campuses for the first time, little did we know that six years later we would graduate as one class, a product of the Kingswood-Oxford merger.

From two years of grey blazers, recess lunches and Mrs. Snow's music classes, the girls arrived (by yellow bus) for the first time on the Kingswood campus for our third form year. They were met by their 41 Kingswood "mix" mates and experienced their first free time out of study hall. The completion of the Roberts Center that year exemplified the fact that "Kingswood" was really changing.

Fourth form brought great accomplishment as we established ourselves on the upper school campus as one graded class. Old traditions slowly faded out. New ones were born every day as we advanced to our senior year.

SATs and College counselors suddenly appeared in our fifth form year as we realized that we were finally coming to the home stretch. It was time to "look to the future."

Finally after years of waiting we made it to the top. We were the graduating senior class of 1976 ready to set our plans for our future ways.

Yet in KETT we left the exterior as over the past six years are those which we shall always remember. The Kingswood-Oxford tradition has nurtured us so that now we are able to leave KETT in knowledge ourselves. We too have made a mark of Kingswood-Oxford and a small portion of ourselves will be here forever.

SIXTH FORM

One of the most dramatic changes on the Kingswood-Coxford campus has been the improvement of the athletic department. Under the direction of Mr. Joe Alesi and Miss Lorrie Hunter, the program has been expanded to encompass a greater variety of sports for both boys and girls.

The availability of outside facilities now makes it possible to offer both ice hockey and swimming as varsity sports. Gymnastics, track and field, Varsity soccer are also new additions to the program. Along with their demanding schedules, Kingswood's teams have been fortunate to participate in many tournaments in recent years. The CIWAs and the St. Stephen's, along with the ski team's and cross country's participation in the New England competition and our K.I.T. have become annual events. This year the Varsity basketball team had the incredible opportunity to travel behind the iron curtain to participate in the Prague Invitational Tournament.

Girls' sports has not yet reached the height for which it is striving, but the undefeated season of the girls' soccer team this year serves as evidence that the program is definitely headed in the right direction.

Sports is an important part of the Kingswood curriculum. It provides an opportunity for the school to unite as a community by bringing players, coaches, and spectators together in a joint effort to compete and have fun.

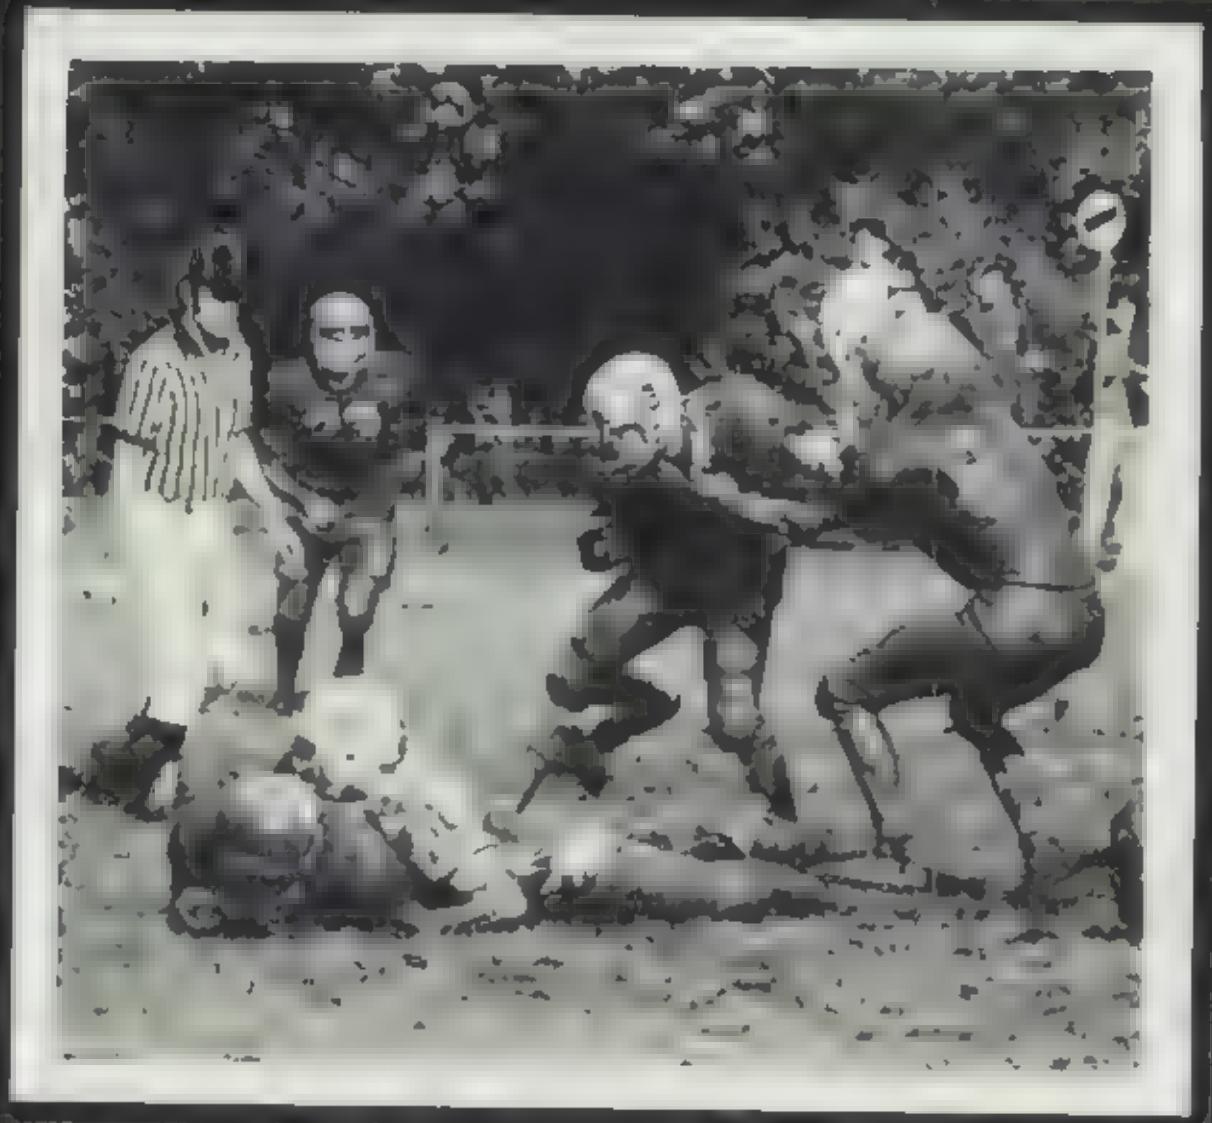

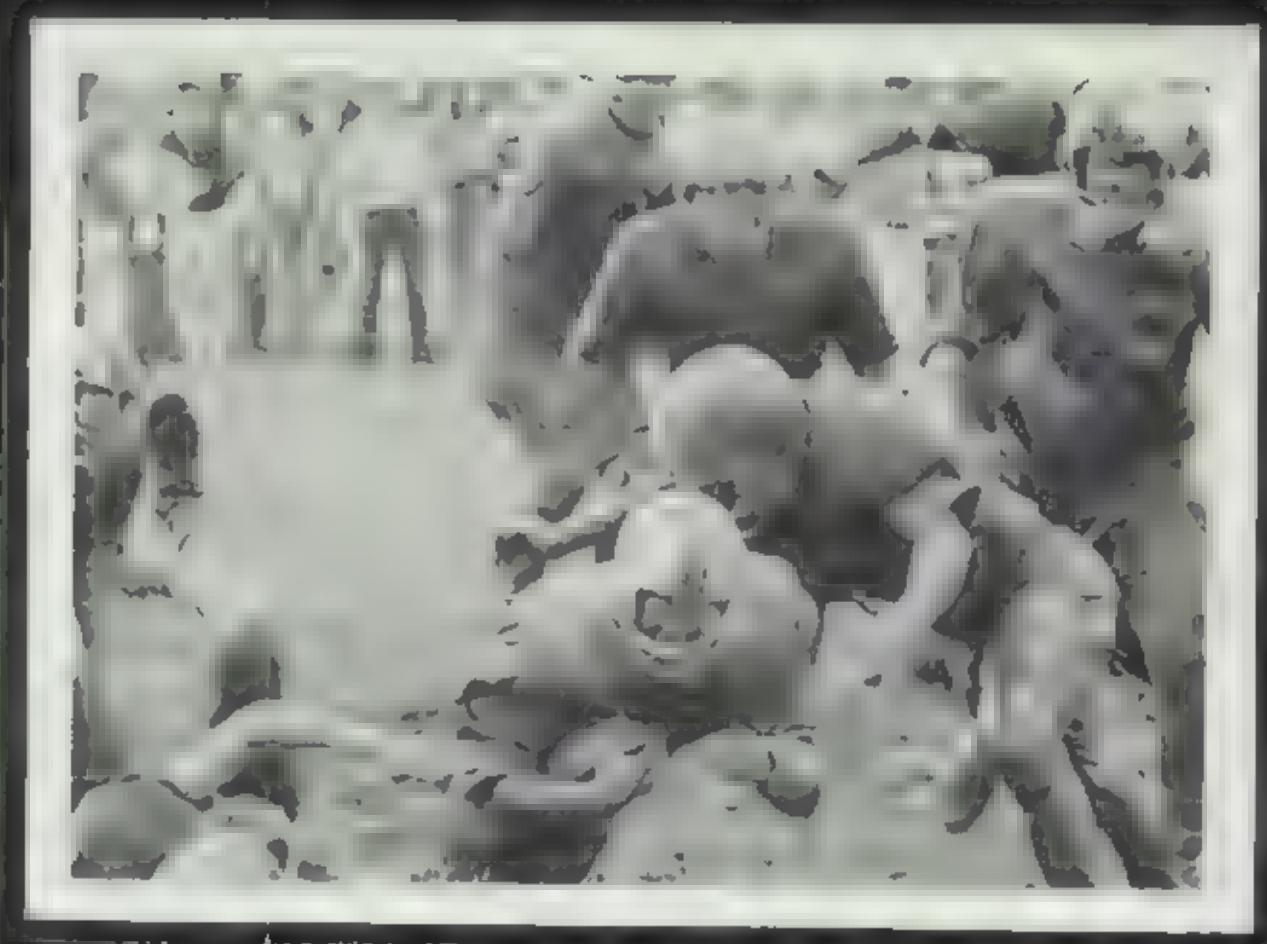

VARSITY FOOTBALL

The Varsity Football team finished the season the exacting note, losing only one game to the year. The team had an disappointing year in 1941. The Wyvern started the year in second place with a 109-0 and lost 38-28. The Black and Chrome then came in the morning, winning 10-0, 38-0, 38-14, 34-0 and 100-0. On 21st, the following week, the Kingswood school team came in and defeated Varsity Academy 14-3. For the fall, the Wyvern had been bad. The Kingswood 10-0, Westminster edged the Varsity 14-13. Another 13-0 looked better. The Wyvern finished their season with a 10-0 loss to the Kingswood 28-8 and also Old Town 10-0. One telling statistic that attests to the Varsity's success is that in 1941, the Wyvern had greater total offense in every game except Kent.

from the 1990s. The players chosen in the Offense/RB list included Kordell Stewart, Mike Anderson, Tony Brown, George Gandy and Alvin Jones. The defense included Monte Kiffin, Brook Berringer, Steve Emtman, Matt Balow, Mike Mewhinney, Jim McMahon, Bob Ford, Jimbo Coates, Jim Tatum, and Mike Anderson.

Despite an impressive record, this year has been a major accomplishment for the field hockey team. Hoping to get a "head start" Coach Suzanne Nolan, assisted by Ms. Anne Green, organized pre-season practices this year, which proved instrumental in the team's formation.

When the team was united, it was obvious that this year's team was in good shape. Although the team lost their first few games against some of their most challenging competitors, they were close games in which the team put up a good fight.

Getting stronger and more experienced with every contest, victory was finally achieved in a rematch against Ethel Walker. A single score made by Mary Martin gave Kingswood Oxford the game. The team then went on to other wins, including Suffield and arch-rival Chaffee.

VARSITY SOCCER

The varsity soccer team had a relatively disappointing year as they produced a record of two wins, eight losses, and four ties. During the year, the team came up against teams who possessed foreign players of superior ability. However, Kingswood-Oxford always put forth their best effort and never gave up the fight.

Lead by co-captains Peter Eddy and George Nolte, K-O gained its first victory against Loft in the third game of the year. The game saw excellent defensive efforts from Dick Barnes, Mike Crawford, and Scott Newman. Jeff Lankin also played a superior game in the pool.

The second and last victory came against Hopkins. The score was 2 to 1 with the Kingswood goals scored by Adam Shant and Tom Ribodonevra.

The highlight of the season was when the team tied the number one ranked team in our league, Choate. This game was marked by excellent passing and fabulous hustling by the Kingswood Oxford team. They consistently beat Choate to the ball and soon circled around them with their own point passes.

Although they will loose the talents of George Nolte, Dick Barnes, Jim Moorsadian, and Jim Brown, the team looks forward to a strong season with the sixteen returning under the leadership of co-captains Peter Eddy and Scott Newman.

in only their second year of varsity competition. The women's team from Somers combined a prolific offense with a tenacious defense as the foundation for the incredible undefeated season. Rebounding from the 1974 season of 2-2-1, Coach Andrew Thompson's team improved by staggering to the record of 14-0, following a three win start on the way to their eleven consecutive victories.

Senior Mary Beth Cosgrove lead the team's scoring with 15 goals including six game winners. She

garnered K-O'Konski Hall trophy in the nation over Rosemont Hall. Senior Anne Anne Francis notched eight goals, three assists and two game winners. Jenny Smith added four scored including the clincher versus Westminster. The defense was led by co-captains Maria Roal and Linda Reynolds who both played consistently well all year. An important cog in the defense was senior goalscorer Wendy Brewster's exceptional play in the goal. While playing in best contests, she recorded seven shutouts and allowed only three goals. Midfield seniors Brenda and Linda Leslie, Shepherd and Lori Marion, combined with seniors Emily VanDyck and Diane Kyung-Han to establish an excellent five person rotation at halfback.

Although the field team is graduating ten seniors including Cosgrove, Brewster, Francis, Leslie and Reynolds, optimism runs high that the three returning players will form a solid nucleus for 1976.

CROSS COUNTRY

ROW ONE: Mr. Rosemire, Coach, Mr. P. (Mike), Britton, Ross, Beaton, Driscoll, Foss, Grimes, Mr. Dowling, Coach. ROW TWO: Lubed, Madenjian, (Oregon), Kahl, Pleisch, Schwesky, Fowler, Beck, (Manager).

With only a small core of returning lettermen from last year's New England Championship team, co-captains Jon Bees and Mike Pailas looked toward a rebuilding season. Lack of experience and depth were made evident by two disappointing defeats to both Taft and Loomis, breaking the Wyvern's horrific three year winning streak at Elizabeth Park.

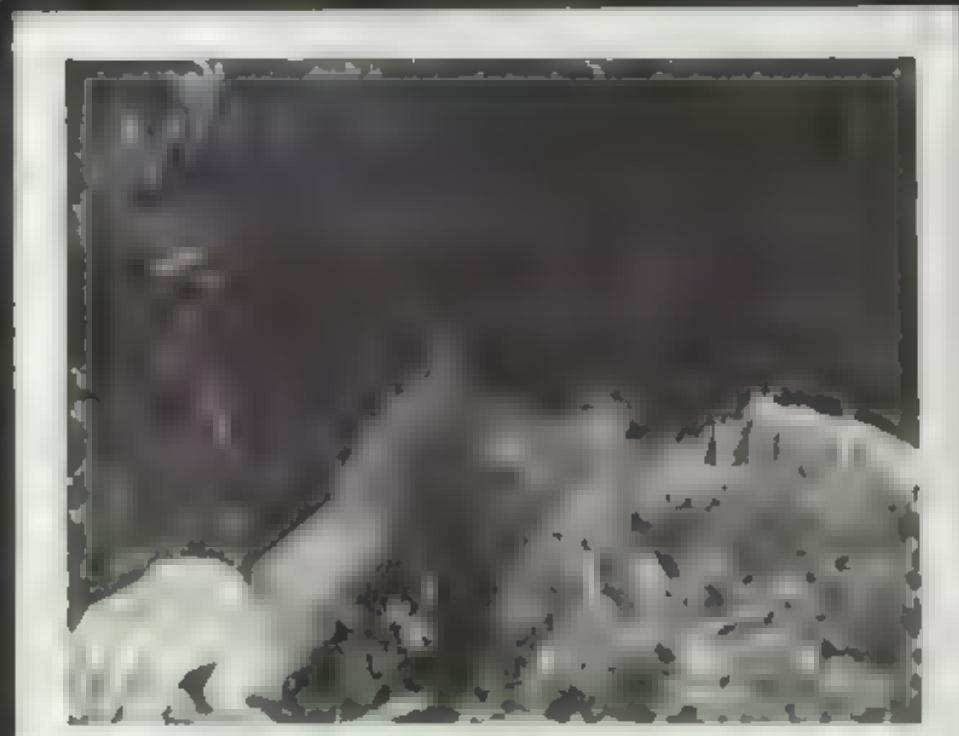

The 1975 season was off and running a total loss, however, as Jon Bees and Mike Pailas, followed by Andy Putnam, Phil Moran, Marc Weist and Rick Gersten, earned a 3-5-1 record. Jon Bees finished first in all but one dual meet, and still holds the course record at both Suffield and Avon Old Farms. Mike Pailas finished in the top four of all individual meets, paced closely by both Putnam and Moran.

Hopes for a high finish in the New England Championship were not realized, however, as the Wyverns fell to several more experienced teams from throughout New England. Kingswood placed seventh in a field of fourteen schools, with Jon Bees and Mike Pailas taking seventh and thirteenth placed respectively to win individual awards.

Next year's squad, to be led by co-captains-elect Phil Moran and Marc Weist, should prove to be a more experienced group. Returning lettermen Rick Marvin, Rick Gersten and Bob Udoj will complete the core of the varsity next fall.

VARSITY BASKETBALL

The Kingswood - Oxford basketball team, led by Captain Patrick Avery, highlighted the season by taking first place in both the KIT and the Prague Christmas Tournament. The team beat Wilbraham-Monson, Tolt, Choate, Avon, and Hopkins in early season action.

The basketball quintet was led by KIT MVP John Meam, and Phil Moran at guards, Avery, Randy Kessler, Stuart Frank, and Doug Horn at forwards. Also contributing were Paul Bremer, Tim Ryboden, and Rick Schwartz.

The team was 3-1 against the Czechs, and their trip included exhibitions in Prague, France, and Barcelona, Spain.

The basketball team had a winning season. They won their toughest games. Tom Powers and Powers' son, a freshman, were the only new players. Powers learned his lesson. Steve Shultz provided the leadership. Hobie, a high school grad, was the coach. Raymond and John Shultz also added depth to the bench.

Once again coach Todd Rosenthal lead a strong team of girls into a winning season.

The gymnastics team finished its third straight successful season. Coach Karen Hollis

squad sent four tumblers behind co-captain Chrissy Malinconico and Patti Davis.

The girls were led this year by Patti Davis, Chrissy Malinconico, Stacy Silk, team manager Maggie Gerke, Diane Barrett, Diane Lazor and Manager Marsha Davenson.

The highlights of the gymnastics season were the Cushing Invitational Tournament on eight team sites which they won last year. Since many gymnasts are in the Third Form, the future of the team is promising.

PRAGUE

The Kingswood York 8th Team with
captain Rand Hoskyns and Mike Mori
and backing the 8th York team were an
excellent liaison with the 8th York
team members.

The now-finished third of the most recent race behind Berkshires Academy, a perennial hope powerhouse, and Hatchkiss, also a strong team. The team's top finishers were Morrison, Hopkins, and the two McKenzies. So Berkshires and Hatchkiss were very tough opponents. Morrison said, "Those two might be the only team we'll really have trouble with."

Very good Coach Ben Duke is taking over the John Moose events and all of the other boys' football coaching that will be the New England Prep School Championships. One of the things Mr. Duke enjoyed most was going to the Commonwealth football games at Worcester and Boston and the only juniors are Hopkins and Purdie. This will be all profitable for the Wyverns.

BOY'S SKI TEAM

GIRL'S SKI TEAM

The pick 1975-76 were the ski team had a most successful and exciting season. The addition of new talent and a new coach helped greatly in improving the team's already enviable record.

They team this year had a great deal of success. One of the most exciting meets we ran was a dual slalom against Hollis. Another new added dimension to our schedule was the two invitations to participate in Eastern wide meets. In the Berkshire Invitational our top four racers popped first, second, fourth and seventh positions. They also placed well in the Bredy Mountain invitation.

The team wished to thank their coach, David Wilson, for all the energy he devoted to improving the team. With his help, and the help of all the spectators, the team did superbly and soon became known as the most experienced skaters.

The 1975-76 Kingswood-Oxford Hockey team is the first team in school's history with sufficient skill, depth, and power to play Varsity competition. Kingswood opened its season with a win over Gunnery, then traveled to ancient rival Loomis. Enthusiastic fans and surprised opponents who applauded this 6-4 potboiler (even in zero weather) recognized that despite the final Loomis victory, that the Kingswood Varsity is now of equal challenge to be lightly regarded. December began auspiciously with two fine players, co-captain Charlie Herbert and right-winger Paul Turco lost for the season to injury. In their places the first crop of rookies from lower school hockey were welcomed to the Varsity: young players like Leventhal, Elliot Janzen, and McLean impressed with their speed and stick-handling. Ultimately the experience and teamwork

of such players as Tom Powers, Andy Crossa, Jamie Reagan and John Herbert will decide which way the present 'SOO' season will turn. The season is very young and ahead lie formidable opponents: Williston, Wilbraham, Berkshire, and Hall.

The present senior players are unique. Co-captain Mike Warfel is slick skater and playmaker, and Goalie Andy Putnam with over 60 games in net, have provided the leadership and stability on defense. Jim Poco, Jim Waldman, George Nale, and "The Icer" Ken Frank have been the core second line, muscling on the boards and checking across all zones. Pond skaters turned hockey players, these seniors, all sorely to be missed, have logged endless hours of early practice, travel, countless bruises, penalty minutes, and starts and stops. Their dedication has built a Varsity team.

VARSITY SWIMMING

VARSITY RIFLERY

Tom Drury, Michael Colwell, Polina Iudina and Brian T. Davis (co-authors) are grateful to the Social Science Research Council for their support.

Having produced five of the eight top shooters this year, team officials said they had difficulty matching that record. A depleted Nov. 11 all-state coaches' Mark Doyle and Tom Hanes felt that with practice, the squad could become more dependant on its experience. The team was led by returning seniors Doug Fishman and Ronan co-captain Matt Caldwell and Mike Polson. Other members of high caliber who completed the faculty squad included Tom Mull, Bruce Swanson, Ken Favelle, Mark Leder, Jeff Shuskin, Jeff Wellette and Steve Patlocha.

VARSITY WRESTLING

The 1975-1976 edition of the Wyvern Wrestling Squad fielded one of the better teams in recent years. They had 10 squad members with varsity match experience. They were hurt by early season injuries to both captain Don Bradley and Ed Haverly, but they thrashed ASD 55-4. Both Jon Bees and Dick Barnes jumped out to good starts as they were undefeated for the first half of the season and were showing good prospect for the future. Also wrestling well for the Wyverns this year were Dan Davidson and Scott Dunn. Next year's squad will be led by junior Ed Haverly, Matt Felson, Rich Marvin, sophomores Peter Eddy, Wayne Paulekas, Dick Hastings, Bob Roth, and freshman Peter Meyers.

VARSHIN

Lindsay (coach)

The toughed schedule and the loss of 1975's top scorer, John Powers, to graduation has been combined with the loss of eighteen players from the 1975 team to make the major problem facing the 1976 team. As the season began, the team began their year of reconstruction efforts to recapture the Division 1 title. They will face defending champion Towson, regular member, Deerfield, and the defending high school champions of Massachusetts and Connecticut in addition to such traditional rivals as Loomis, Hotchkiss, and the West Hartford schools of Conard and Hall.

Lead by Captain Paul Avery and bolstered by Scott Schwartz, John Travert and seniors Andy Rutman, the defense should be the strength of the team. A pre-season injury to Bill Elliott, however, deprived this group of one of its strongest players. In the midfield Rand Hopkinson, Doug Hause, Doug Belcher and Tom Mahoney are counted on for scoring, while John Herbert, Paul James and George Kerser are defensive standouts. Newcomers John Graham and Bob Waskowitz are counted on to improve as the season progresses.

Having graduated all the attackmen from the '75 team, the responsibility for generating a scoring offense rests on the shoulders of Tom Powers, Jim Popp, Mike VanVleck and Ed Horvitz. Though experienced, all have the required individual abilities to make this a high scoring team.

Row 1: Dan Pankratz, Michael Wenzel, Chamberlain Coopeland, Jim Farnham, Brianne Bremmer, Tom Dugan, Nelsen, John Cacchione, Colleen D'Adio, Mark D'Adio, Mark Farnham, Sheintop.

Coming off a successful 1991 season, the 1992 Varsity Baseball team is looking forward to a successful season. The regular season will be headed by Chamberlain and Kellie Frank will be leading the team. The Wyvern's will be looking to improve on last year's record of 11 wins and 10 losses. Having now recorded the loss of two starting pitchers along with three other starting players, the returnees are now 11 - these losses are pitched front end John Meagher, infielder Mike DaPice and Stuart Frank, and outfielders Jim Klemes and Jeff Lankka. Also helping to boost the team roster are several members of last year's team.

The Wyverns will be faced against such perennial power houses as Choate, Kent, Loomis and Taft. To combat these teams the Wyverns will have to combine the consistent fielding with the reliability of potent bats. Although the team is young and inexperienced, the members should provide for cohesive winning and the team once again is lead by coaches O'Brien and Dixon.

Front Row: Debbie Colkwell, Mandy Thompson, Debbie Putnam, Libby Zabel, Leslie Shepherd, Diane Blackman, Karen Two, Patricia Foster, Pamela Sigafoos, Debbie Rogers, Debbie Gordan, Debbie Blackman. Mr. Beatty (coach).

The Girls' Varsity Softball Team has a tough assignment to repeat last year's impressive 10-2 season. However, Debbie Leslie Smith, pitching for her third season, has high hopes for scoring close to last year's record, even with the loss of several very talented players. Pitcher Smith has had less than a year with the team, but the addition of the young team, she is joined by returning seniors Leslie Shepherd and Diane Blackman at center field and first base, seniors Debbie Colkwell and Emily Van Dyck at shortstop and third base, and freshmen Jill Sigafoos at left field. Also returning are seniors Jenny Putnam and Mandy Foster. There are many enthusiastic players new to team softball who have shown talent early in the season. Libby Zabel and Diane Gordan, along with catcher Peter Sigafoos should make valuable contributions to rebuilding this softball team. Coach Jim Beatty is confident to the success of the season because of the many returning players and the new talent.

The softball schedule was increased by two games this year, adding six games against Hotchkiss. Also different from last year's schedule are the five Saturday games and five games to be played on the Kingswood campus.

Row One: Neely, Albers, Marsh, Leibach, Berman, Mack, Gorn, Schwanz, Bellinger, Kaplan, Mr. Glassmire (coach)

Coming off a 10-0 record down south, the Varsity Tennis team looks as though it is headed to another fine season. Led by senior captain Jamie Marsh, and sophomore Greg Mack, the team downed victories over the seasoned teams of Yorkdale Elementary, Friends, Thamom, Jefferson, John's, and St. Stephen's. All 11 wins were hard-fought, some of the harder ones three sets. Not one interscholastic loss, London and hard-fought effort. Sophomore Tim Berman, junior Neil Richman, and undefeated Phil Moran, and first-timer Peter Albers, round out the singles lineup, with Gary Schwanz filling in at third doubles. When number four player Dave Kaplan swims his collar bone back to health, the tennis team looks to avenge their loss to league champion Hatchet, and top strong fielding at the fourth annual Kite.

OUR SHARE!

We live in this community. We share in its bounty. And we share in easing some of its problems, too

For example, we're funding Project Matthew's Alternative Learning Center, a pilot program for students under 18 who have dropped out of, or been expelled from, the public school system. Jobless young people with no direction and little hope. Curricula will include basic academic subjects and lead to a graduate equivalency diploma or reentry into the public schools.

Sharing. That's what good neighbors are all about. We hope that our share will help make a Greater Hartford for all of us.
